Australian Scholastic Achievement Test for Selective

Are you confused with the selective school placement process?
Not sure which selective school choices are right for your child?
That's why a huge number of students are participating in the ASAT every year!

This comprehensive assessment is designed to help students excel in the 2025 Selective High School Placement Test. It will help them prepare by giving them a practice run with questions just like those on the real exam. It's a great way to see how they're progressing. The test features a variety of question styles and difficulty levels, aligned with the latest selective school exam format. This ensures that students practice with relevant, up-to-date material, building both familiarity and confidence.

ASAT provides valuable insights into your child's strengths and areas for improvement. It also allows for a comparison of their performance with peers, helping you and your child understand their preparedness. With this realistic practice experience, your child can maximise their chances of success. Details are as follows:
