

NEW! Thinking Skills for OC Course

We're excited to launch our new "Thinking Skills for OC" course, tailored specifically for Year 3 students! Designed to strengthen problem-solving and critical thinking abilities, this program equips students with the essential skills they need to excel academically and succeed in the OC placement test.

With a comprehensive focus on the thinking skills component of the OC exam, the course covers a wide range of key topics to ensure students are well-prepared.

Empower your child with the tools and strategies to build confidence and achieve their academic goals!

Course Overview:

- The course aims to provide students with the tools and techniques to approach challenges with confidence and creativity.
- Through engaging activities and thought-provoking exercises, our dedicated teacher will guide the students on their path to becoming proficient critical thinkers.
- Students will learn effective problem-solving skills to tackle complex issues in various subjects.
- Students will be encouraged to analyse, evaluate, and draw reasoned conclusions from the information they encounter.
- As students develop their thinking skills, they will gain confidence in their abilities to excel academically.
- The course is open to Years 3 students who are aiming for the OC placement and will cover essential topics to equip them with the necessary knowledge for the thinking skills test.
