

2025 Year 8 Term 4 Elite Maths Course (11 October – 21 December)

Pre-Uni New College High School is announcing the commencement of the **Year 8 Elite Maths Course** in Term 4.

As we progress through the school year, it's important to consider secondary learning. This start early master early program is designed to enable elite students to master the advanced mathematics curriculum within a concise two-year timeframe. We provide detailed material and comprehensive feedback to enhance preparation and skills in all areas of education and ensure students excel in their school exams.

Students can develop ineffective study habits during high school without continued guidance and coaching. Our years of successful results indicate that Pre-Uni New College has the best academic formula for helping your child overcome these challenges.
