

OC Trial Test Course (OCTTC) for Year 3

Give Your Child the Ultimate Head Start for the 2027 OC Placement Test!

The Opportunity Class Placement Test is one of the most important academic milestones a Year 3 student will face. Earning a place in an OC class opens doors to selective schools, to like-minded peers, and to an accelerated academic pathway that can shape a child's entire educational journey. But the test is demanding, and knowing the content is only part of the challenge. Students also need speed, strategy, and the ability to stay calm and focused under exam conditions.

That's exactly what the OC Trial Test Course (OCTTC) is built for. The newly redesigned OCTTC has been updated to reflect the very latest OC placement test format, including full computer-based testing that mirrors the actual exam interface. From the question types and timing to the navigation and reporting, every aspect of the OCTTC is designed to make the real exam feel completely familiar when it arrives.

With weekly alternating sessions covering Reading and Mathematical Reasoning & Thinking Skills, and detailed progress reports via Cyberschool, students don't just practise, they improve in measurable, trackable ways that parents and students can both see clearly.

What your child will gain:

- ❖ **Real exam familiarity:** Every session mirrors the exact format, interface, and timing of the 2027 OC Placement Test, so the real exam feels like just another practice run.
- ❖ **Stronger reading comprehension:** Students develop the speed and accuracy to read complex passages, extract key information, and respond to a range of question types within tight time constraints.
- ❖ **Mathematical reasoning and thinking skills:** Regular, focused practice with OC-style maths and thinking questions builds the problem-solving agility and logical reasoning that the test demands.
- ❖ **Effective time management:** Students learn how to pace themselves across exam, allocate time wisely to different question types, and avoid spending too long on any single question.
- ❖ **Reduced test anxiety:** Repeated exposure to realistic exam conditions means the test day experience feels calm, controlled, and manageable, a genuine advantage when marks are on the line.
- ❖ **Measurable, trackable progress:** Detailed Cyberschool reports after every session give parents and students a clear view of improvement over time and the confidence that comes from seeing real results.

Class Timetable

Each weekly test cycle opens on Saturday and repeats on Sunday, Tuesday, and Wednesday. Students attend one 3-hour and 10-minute session per week (See full timetable details below).

Year 3 Term 3 OC Trial Test Course (OCTTC) – Class Timetable

Session	Class Time	Class Location*
Saturday MC	9:00am – 12:10pm	McDonald College (17 George St. North Strathfield)
Saturday AC	1:00pm – 4:10pm	McDonald College (17 George St. North Strathfield)
Sunday MC	9:00am – 12:10pm	Strathfield Centre (Level 1, 8 Lyons St. Strathfield)
Sunday AC	1:00pm – 4:10pm	Strathfield Centre (Level 1, 8 Lyons St. Strathfield)
Tuesday	5:00pm – 8:10pm	Strathfield Head Office (5 The Crescent)
Wednesday	5:00pm – 8:10pm	Strathfield Head Office (5 The Crescent)

- Class location and time may be changed depending on the number of enrolments.

OCTTC Test Format

To perfectly mirror the official OC exam, all OCTTC sessions utilise a **computer-based** testing format.

- **Devices Provided:** All OCTTC sessions use the same computer-based testing format as the official OC exam. Each student completes their trial test on an individual testing device provided by the college during class - no need to bring your own. This ensures every student has access to identical, properly configured equipment and can focus entirely on the test rather than troubleshooting their device.
- **Device Care Policy:** Students are expected to handle all testing devices with care throughout the session. Please remind your child of this responsibility. Parents and guardians are responsible for any repair or replacement costs if a device is damaged due to careless handling or negligence.

Make-Up Test Policy

If your child misses a scheduled class for any reason, they are welcome to complete a make-up test at our head office **within one week of the missed session**. Make-up sessions are self-paced and allow students to complete the weekly test without falling behind on content coverage. However, please note that teacher-led interactive test reviews are not available during make-up sessions.

Fee Structure & Discount Offer

- Standard Course Fee: \$80 per session (week).
- Payment Terms: Tuition is payable in full before the term begins. For students enrolling mid-term, fees will be calculated pro-rata for all remaining sessions.
- Special Bundle Discount: Enrol in both the full-term OCTTC and WEMT courses together at the same branch to unlock a discounted rate of \$72 per session for the OCTTC! (Note: WEMT course fees are charged separately).

2026 Term 3 OC Trial Test Course (OCTTC) - Fee Schedule

OCTTC Session	Starting Date	Finishing Date	Tuition Fee per week	No. of weeks	Course Fee Total	Special D/C price*
Saturday	18-July	26-Sep	\$ 80	11	\$ 880	\$ 792
Sunday	19-July	27-Sep	\$ 80	11	\$ 880	\$ 792
Tuesday	21-July	28-Sep*	\$ 80	11	\$ 880	\$ 792
Wednesday	22-July	28-Sep*	\$ 80	11	\$ 880	\$ 792

- **Special D/C price* offer** is available **only** to the parents who enrol in **both** Term 3 full-term OCTTC and Term 3 full term Year 3 WEMT course together. This price does **NOT** include the WEMT course fee. Parents must pay the term 3 WEMT course fee separately.
- **The Annual Scholarship Discount** is available until **Monday, 6 July 2026, 5PM**.
