

Year 5 WEMT Course

The Year 5 WEMT (Writing, English, Maths, and Thinking Skills) course offers carefully designed module content tailored to the demands of today's competitive academic environment. Students commit to consistent weekly work readings, practice exercises, and skill-building activities that gradually deepens their understanding across all key areas. This approach fosters genuine, long-term competency rather than last-minute cramming, laying a strong foundation for success in selective school and independent school scholarship exams. By actively engaging with the WEMT course, students will gain:

- **Exam Readiness:** Strengthen core skills in writing, reading, mathematical reasoning, and critical thinking to perform with confidence under exam conditions.
- **Effective Writing Techniques:** Learn to structure and craft persuasive, creative, and analytical writing with clarity and purpose.
- **Reading Comprehension Mastery:** Build proven strategies to interpret complex texts and respond accurately to a variety of question types.
- **Maths Simplified:** Develop a confident understanding of key concepts, formulas, and problem-solving techniques through clear and progressive practice.
